Dave Molnar serves as President, Commercial Banking, where he is responsible for TriState Capital's Commercial & Industrial and Commercial Real Estate sales efforts throughout its markets.

Prior to this, Dave served as Regional President of TriState Capital Bank's Western Pennsylvania operation where his responsibilities included managing the business development opportunities of the relationship management team in Western Pennsylvania.

With more than 30 years of banking experience, Dave has spent much of his career coordinating business development efforts, serving as a team leader and increasing middle market loan production in the Pittsburgh region.

Dave is a graduate of Indiana University of Pennsylvania with a B.A. in Business Administration, cum laude.
