Holly Ryan serves as Vice President, Treasury Management for TriState Capital's New Jersey operation. Holly is responsible for maintaining customer liquidity, ensuring cash optimization, and suggesting various financing options. She also monitors and assists in control of a company's exposure to financial risks while ensuring that cash management goals are communicated and integrated with the strategic objectives and policy decisions of the company.

During her career, Holly attended Cumberland County College for Business Marketing Administration, has completed numerous courses from the American Institute of Banking, and served as an AIB instructor. In 2003, Holly earned the designation as a Certified Treasury Professional, and is a member of the Association for Financial Professionals.
